

Members of the Evolution and Sociology Section might be interested in the journal SOCIAL BIOLOGY. It is published in four issues per year on the topics of Biology, Social Structures and Behavior, Biodemography, and Demography and Health. The Spring-Summer and Fall-Winter issues typically are combined into two volumes per year.

SOCIAL BIOLOGY is sponsored by the Society for the Study of Social Biology, which is devoted to furthering the discussion, advancement, and dissemination of knowledge about biological and sociocultural forces that affect the structure and composition of human populations. Membership in the Society is \$30 per year, student and emeritus members, \$20 per year. Members receive Social Biology.

Inquiries about membership in the Society should be sent to the Secretary of the Society, Eileen M. Crimmins, Andrus Gerontology Center, University of Southern California, Los Angeles, CA 90089-0191; email: crimmin@usc.edu

Send Manuscripts, Brief Reports, and Communication for SOCIAL BIOLOGY to Kenneth C. Land, Editor, Department of Sociology, Duke University, Box 90088, Durham, NC 27708-0088; email: socbio@soc.duke.edu
