They are in attendance for the purpose of keeping the convention operating and solving problems as they arise. However, the demands on staff time and equipment must be limited to official ASA functions. Individuals or groups needing office equipment and reproduction facilities must acquire such services through the public stenographer in the hotel.

ASA Information Desk—Normandie Lounge

This desk will be staffed by ASA Executive Office personnel who will have information relating to membership, subscriptions, the program, etc. In addition, some ASA publications will be available for purchase at this desk.

Book Exhibits—East Hall

You are urged to visit the Book Exhibits in the East Hall on the lower level. The Exhibits will be open from 8:30 a.m. to 3:30 p.m., Monday through Thursday, and from 8:30 a.m. to 12:00 noon on Friday.

Breakfast Facilities—West Hall

In addition to the services offered by the two restaurants and the drug store in the Conrad Hilton Hotel, a Continental breakfast will be available each morning, Monday through Friday from 7:30 a.m. to 8:15 a.m., through special arrangements with the hotel. This will save considerable time for those wishing a light breakfast. A snack bar will be operated in the Exhibit Area, East Hall, each day for lunch, coffee, and soft drinks.

To reach the West Hall, walk past the coffee shop and drug store, through the North Lobby to the escalators near the Continental Room, and descend directly into the West Hall.

Child Care—Rooms 512-557

Professional child care will be available from 8:00 a.m. to 6:30 p.m., Monday through Friday. Children must be over seven months of age.

Parents must complete the necessary forms prior to leaving children, including medical permissions and hold-harmless agreements. The fee will be $1.00 per child per hour and must be paid each time the child is picked up.

Juice will be served mid-morning and afternoon. Lunch will not be provided. Parents must take their children for lunch or bring food in to them. Parents must also supply diapers, bottles (no refrigeration will be available) and special food where necessary.

Daily Bulletin

Each morning, copies of the Daily Bulletin will be available at various locations throughout the hotel. Be sure to read your free copy for the latest information on program changes and additional news and activities.

Within the limits of space and at the discretion of the ASA Editor, last minute changes in activities of other groups can be announced in the Daily Bulletin. Copies must be in Dining Room 4 before 2:30 p.m. each day for next-day publication. No announcement will be published more than once.

Persons registering on Sunday will receive their Monday Daily Bulletin at that time.

Employment Center—West Hall

This Center will be open Sunday, 12:30 p.m. to 5:00 p.m.; Monday through Thursday, 8:30 a.m. to 5:00 p.m.; and Friday, 8:30 a.m. to 12:30 p.m. Facilities will be available for reviewing listings, exchanging messages, and interviewing. If you have pre-registered for the Employment Center, report in to the West Hall as soon as possible to activate your file. If you have not registered, you should do so as early as possible.

All persons using the Center must register for the Annual Meeting as well as for the use of the Center. Once registered, you will be issued a badge permitting your entrance to the Center any time it is open. Fees for the uses of the Employment Center are: ASA Member Applicants—$5.00; Non-ASA Member Applicants—$20.00; Employers—$25.00.

Message Center—Normandie Lounge

A center for the distribution of written messages will be open from 8:30 a.m. to 6:00 p.m. each day. Only written messages will be accepted (no telephone calls) and they must be prepared on cards available at the center. Names of those for whom messages are left will be posted on a bulletin board.

No Smoking

Council has adopted a resolution presented to the membership at the 1975 Business Meeting stating that during all sessions, smokers should sit only in that section of the room to the speaker's right.

Paper Sales—North Hall

Papers will go on sale at 2:00 p.m. on Sunday at the price of $1.00 per copy. All session papers which were submitted to the Executive Office for duplication appear on the order form and may be purchased in the Paper Sales Room as long as the supply lasts. Orders cannot be accepted for future delivery. Following the
Annual Meeting, requests should be sent directly to the authors. In order to facilitate this procedure, a list of authors’ addresses may be purchased for $1.00. The Presidential Address will not be available, but will be published in the October issue of the American Sociological Review.

PROGRAM NOTES

Plenary Sessions

Professor J. Milton Yinger’s Presidential Address will be given on Monday evening at 8:30. Vice President Suzanne Keller will preside at this session and will introduce the Chairs of the Selection Committees for the presentation of the 1977 ASA Awards. Joseph Elder will introduce President Yinger, whose address is entitled “Countercultures and Social Change.”

Two additional Plenary Sessions are scheduled as follows:
Tuesday, September 6, 8:30 p.m. “Competing Models of Modernity: What Will ‘Modern’ Mean in the Year 2000?” Albert McQueen will preside with papers by Alex Inkeles, Lucien Pye, and Milton Singer.

Thursday, September 8, 8:30 p.m. “Competing Models of Multi-Ethnic and Multi-Racial Societies.” Wendell Bell will preside and Roy Bryce-Laporte will be discussant with papers by George DeVos, Thomas Pettigrew, and Robin M. Williams, Jr.

Thematic Sessions

Eighteen special sessions have been organized on the theme: “Sociology and Related Disciplines: Shared and Divergent Perspectives.” These sessions will cover a number of the problems central to the sciences of human behavior and the discussion of those problems from a variety of perspectives hopefully will encourage further cooperation across disciplinary lines. In each session, at least two disciplines besides sociology will be represented.

For details on the topics and participants, refer to the following sessions:
Monday, session numbers 1, 11, 32, 44; Tuesday, 55, 65, 86, 96; Wednesday, 107, 124, 136; Thursday, 147, 167, 178; Friday, 189, 198, 218, 229.

Didactic Seminars

Attendance at the Didactic Seminars is by paid reservation only and attendance at each is limited to 35. Those already enrolled should have received their tickets with their badges, but should check at the Seminar Desk in the Normandie Lounge for any materials the presenters might have provided for distribution. Those who did not reserve in advance but wish to attend should check at the Seminar Desk for possible openings.

No one will be admitted without a paid reservation.

Didactic Seminars are listed here by session number as well as within the body of this Program:

**Luncheon Roundtables**

The list of luncheon topics and presenters is printed in the body of this program under Session 22 on Monday, 76 on Tuesday, 117 on Wednesday, and 157 on Thursday.

Some tickets are still available for some of the luncheons; the numbers are listed on a bulletin board at the Luncheon Ticket Desk in the Normandie Lounge. Also listed here are the luncheon numbers for which the presenters have left materials for distribution to the participants.

Persons who have confirmed reservations should have received their tickets along with their badges. If, however, your check and reservation request were received in the Executive Office too late for processing, a refund will be made at a later date. Please check at the Ticket Desk; ticket sales will be closed one-half hour before luncheons begin each day.

Cancellations will not be accepted later than 48 hours prior to the scheduled luncheon. You may, however, sell your ticket to someone else if you are unable to attend.

Historically, there have been problems concerning admittance to the luncheon room. In fairness to members who have paid for their reservations, your cooperation with the personnel in charge is essential. No one will be admitted to the room without a valid ticket. Observers are not permitted. Waiters will not serve luncheon to anyone who is seated at the wrong table.

**Informal Discussions**

These informal discussions are designed to give individuals an opportunity to meet with colleagues with mutual research interests. Each topic will be assigned a numbered table, which seats ten persons. Seats will be available on a first-come, first-served basis. No reservations are necessary.

The Informal Discussions are detailed under the following session numbers: Monday, 10, 53; Tuesday, 64, 105; Wednesday, 116, 146; Thursday, 187; Friday, 197, 207, 228.

**Professional Workshops**

The thirteen workshops included in this program have been designed to impart information to the members which might be helpful to them in their professional concerns, whereas the Didactic Seminars concentrate on substantive areas of the discipline.

Details may be found under these session numbers: Monday, 12, 34, 45; Tuesday, 66, 87, 97; Wednesday, 126; Thursday, 148, 179; Friday, 191, 199, 220.

**Business Meetings**

Two ASA Business Meetings, open to all members, are scheduled for Wednesday at 10:30 a.m. and Thursday at 8:30 a.m. Resolutions to be presented to the first Business Meeting must be delivered to the ASA Headquarters Office in the hotel for transmittal to the President and Secretary before 4:00 p.m. on Tuesday.

The second Business Meeting will include an open forum of Council, giving the members an opportunity to hear Council’s views on issues raised by the audience.

**Committee Meetings**

ASA Committees will hold regular meetings during the Annual Meeting. In addition, Council has instructed specific Standing Committees to hold open forums for the purpose of reporting to interested members on their current deliberations and future plans, and to receive from those members suggestions and critique of their performance. Check elsewhere in this Program for the times and locations of the meetings open to all members.

**Section Meetings**

Check the Program Summary and the body of the Program for details on Section activities. The Section Council and Business Meetings and the Section-sponsored Program Sessions are scheduled as follows:

THANK YOU!

Our thanks to all of you for writing some of the best sociology texts available today. Because of your efforts we've been able to pursue various directions in sociology: from introductory sociology texts to books on the sociology of religion, research methods, marriage and family relations, deviance, social problems, gerontology, and medical sociology.

We look forward to working with you in the future to continue our mutual commitment to the growing field of sociology.

Sincerely,

Stephen Rutter, Sociology Editor
WADSWORTH PUBLISHING COMPANY, Inc.

P.S. TO ALL SOCIOLOGY TEACHERS:

We have your interests at heart... Over the years, we have been committed to the field of sociology with books that, hopefully, have made sociology easier for you to teach to your students. To continue our commitment, we welcome any suggestions you might have for new areas of sociology to explore, new topics, or how we can make our books more responsive to your needs. Because after all, our commitment to sociology is truly a commitment to you.

Looking forward to hearing from you.
COMMUNITY AND COMMITMENT: The Changing Social Context of Belief and Participation in a Mainline Protestant Church, Wade Clark Roof, University of Massachusetts. In this timely analysis of why mainline Protestant churches are facing dwindling attendance and meager financial contributions, the author explores the underlying problems of religion in America today. In preparation for 1977.

THE ADVISER, Herbert Goldhamer, The Rand Corporation. The political adviser appeared in man’s earliest documents and has never since left the political stage. This is the first study on the role of the political adviser that is sufficiently wide-ranging and authoritative to highlight the continuities and diversities of this important figure as exemplified down through the centuries. In preparation for 1977.

Come see these and other outstanding social science titles at the Elsevier booth at ASA.

When students write to us about a book, they really must care...

Earl R. Babbie's SOCIETY BY AGREEMENT: An Introduction to Sociology

When it gets right down to it, a book that is successful has to "work" for both professors and students. SOCIETY BY AGREEMENT is such a book. In its first 8 months of publication, we have received comments such as the following from students all over the country.

On the book as a whole... "My only comment to you, Mr. Babbie, is that I certainly hope you will continue to write books of high calibre such as this." Royal Murray III, Virginia Commonwealth University

"The book did an excellent job in explaining introductory sociology. It was simple and easy to understand, but at the same time it answered all of the questions that the book and myself raised. An A+ for sure." Joseph Adams, University of Houston

"Concepts are presented in a fashion that obviously reflect the author's knowledge, and tend to review older ideology as well as very recent thought. Although Chapters 16 and 17 were not assigned, I read them anyway. Both were fantastic!" Hollis Ellis, University of North Carolina, Chapel Hill

"On 'The Discovery of Adamsville', a fictional story which unfolds with each chapter… "I found it fascinating. It was very enjoyable and it was great to see the sociological concepts unfold in each episode." Nancy Pryor, University of Minnesota

Four Men allows the Cuban people themselves to act as arbiters of the new system's effectiveness. EXISTENTIAL SOCIOLOGY

JACK D. DOUGLAS and JOHN M. JOHNSON, Editors

Ten original essays open major new perspectives in sociological theory. THE GROWTH OF CRIME
The International Experience
Sir Leon Radzinowicz & Joan King
The first authoritative attempt to take an international, comparative look at every aspect of crime and law enforcement—from police and sentencing through prison, punishment and rehabilitation—in order to see what has been tried, what works, and what does not. "Invaluable. ... Provides us with the perspective needed to understand better the apparent increase in crime throughout much of the world."—Marvin E. Wolfgang $11.95

BEHAVIOR AND MISBEHAVIOR
Explanations and Non-Explanations
Nigel Walker
One of the world’s leading criminologists shows why the explanations of social science so often fail to define “criminal,” “deviant,” or “abnormal” behaviors that are for the most part unexpected and unpredictable. Drawing on his own experience as well as on numerous examples from criminal law and literature on deviance, Professor Walker demonstrates that seeking a general theory to explain all forms of crime—or even all forms of deviance—is futile. $10.00
