Committee members present were Claire Renzetti (Chair), Mary Bernstein, Matthew Hunt, Michele Lamont, Nancy Naples, Abigail Saguy, Quincy Thomas Stewart, David Takeuchi, and Veronica Terriquez.

Editors present for the open session were Matthew Brashears, Brian Kelly, Rory McVeigh, Leslie Paik, Rashawn Ray, Linda Renzulli, Michael Sauder, and Stephen Sweet.

Present from the Executive Office were Nancy Kidd (Executive Director), Karen Gray Edwards (Director of Publications and Membership), Jamie Panzarella (Publications Manager), and Rachel Pines (Publications Assistant).

The Committee voted on the following items:

- **Editorships and editorial boards:**
  - Support the ASA Sociology of Mental Health section’s selection of Timothy Owens and Susan Roxburgh as the next co-editors of *Society and Mental Health*.
  - Approve two-year term extensions to the editors of the *Journal of Health and Social Behavior* (Richard Carpiano and Brian Kelly) and *Sociology of Education* (Linda Renzulli).
  - Recommend to Council an extension of the editorship of Omar Lizardo and Rory McVeigh for the *American Sociological Review* for one additional year. (One current co-editor, Sarah Mustillo, was unable to extend.)
  - Approve nominations for new editorial board members for *Contemporary Sociology*, *Sociological Methodology*, and *Sociological Theory*.

- **Commitment to future discussion:**
  - A proposal from the *Contexts* editors to revise the magazine’s subtitle.
  - SAGE recommendation to host journal supplemental materials on Figshare.

- **Recommend to Council extension of the *Socius* article publication charge waiver option for an additional three years, after which the Committee will review usage data to determine whether to continue for an extended period of time.

- **Decided not to participate in the Qualitative Data Repository’s Annotation for Transparent Inquiry project.**

- **To promote the inclusive nature of *Sociological Methodology*, encourage qualitative and mixed methods scholars in the next call for editor applications.**
