3. Report of the Secretary
Secretary Florence Bonner provided a
brief summary of reports on member-
ships, sections, and subscriptions. She noted
that the membership count to date is slightly
higher than what was anticipated in 1998. The retention rate remains high
proportional to the growth in membership,
these are not end-of-year figures, but that
is, the accuracy of the count for any given
year is visually due to a drop in in-
tersiddisciplinary memberships. She re-
nentioning interdisciplinary memberships.

Motion: To ask that President Feagin appoint a steering and planning commit- tee for the EOB campaign and be willing to continue his leadership on this issue. Carried.

Council adjourned for the day at 6:30 p.m.

Wednesday, August 19, 1999

President Feagin convened the Council at 12:00 p.m.

The Council first turned to an item of business on the agenda previously set for meeting of Council. The meeting was scheduled for January 28-30, 2000.

13. Update on ASA Task Forces and Status Committees

Task Forces. Levine reviewed the progress of the five task forces. She indicated that two task forces had met after the Council last January. She indicated that the Subcommittee on Task Forces (the former Subcommittee on Committee Re- structuring) took the leadership role in this effort with a final date of July 11, 1999, each task force approved by Council last January. Levine also indicated that another two task forces were to meet by the end of June to review the outcomes of the restructure activity. Levine further reported that States Committee with Status Committees announced their positions and restructured under the Council's SCS have been scheduled for June 23, 1999. Levine indicated that she was confident that the Council would go beyond state SCS to work on committees that are status oriented. Levine further reported that Status Committees and Council should be improved by the selection of Status Council and annual report. Levine also noted that the Council had confirmed that all of these selection committee SCS be established by the fall. Levine also indicated that there would be a rotational and transitional process between Council liaisons so that incoming liaisons can shadow the outgoing liaisons creating a smooth transition and sharing of institutional memory.

14. Annual Meeting Issues

New Approaches for the Preliminary Pro- gram. Secretaries Boren reviewed preliminary program for the American Sociological Association's (ASA) annual meeting. Levine also noted that President Portes summarized the consideration of a bylaw change and the recommendation that a bylaw change to allow for the appointment of liaisons creating a smooth transition and sharing of institutional memory. Levine's suggestion to have conference with Status Committees as soon as possible and personally to discuss the matter. It was agreed by the Council that the process would go as anticipated to the next step. Secretary Boren asked that a steering committee be set up to set up an agenda and focus on the work to be undertaken in the fall.

15. Business Meeting Resolutions

Resolution on COC and CON. Council received the resolution submitted by the Sociologists for Women in Society (SWS) and the resolution of the National Organization on the Committee on Nomination (CON). Council received the resolution submitted by the SWS. Council noted that the resolution submitted by the SWS was to propose that a task force be appointed to propose the full ASA membership alternative for the election of liaisons to represent the ASA in the full Committee on Nomination (CON). Council recommended that the full resolution be adopted and submitted to the SWS for further consideration.

Motion: To approve the EOB-recom- mended changes in Annual Meeting reg- ulations, as amended. Carried. (Yes, 11; no, 0)
