2021 Annual Meeting Will Be Virtual

Due to COVID-19, the 2021 ASA Annual Meeting in Chicago has been cancelled. It is now clear that the global health crisis will not be resolved by August, and a large gathering of people from around the world presents an untenable health risk. We are pleased to offer a virtual 2021 ASA Annual Meeting instead of the in-person event, and we will share further information about the virtual meeting as we work out details in the coming months. We look forward to hosting a robust and exciting virtual meeting based on President Aldon Morris' theme "Emancipatory Sociology: Rising to the Du Boisian Challenge." Calls for submissions are now open.

Candidates for 2021 ASA Elections

We are pleased to announce the names of the 2021 candidates for ASA officers and members of Council, Committee on Committees, Nominating Committee, and Publications Committee. Ballots for the 2021 ASA election will be distributed in April 2021. All members, with the exception of affiliate members, will receive the ballots and are eligible to vote in the ASA-wide elections and in the elections for the sections in which they have membership. Membership must be active as of March 31, 2021, to receive a ballot.

Voting-eligible members can add additional candidates via petition. Petitions supporting additional candidates for the offices of President-Elect and Vice-President-Elect must be signed by at least 100 voting-eligible ASA members; petitions supporting additional candidates for other positions must be signed by at least 50 voting-eligible members. All petitions must be submitted by December 21, 2020. Email info@asanet.org if you have questions.

ASA Awards Three Community Action Research Initiative Grants

Kwan-Lamar Brount-Hill, Stephanie L. Canizales, Laura Heinemann, and LaShaune Johnson are the recipients of the 2020 Community Action Research Initiative (CARI) grant awards: These sociologists bring social science knowledge, methods, and expertise to address community-identified issues and concerns.

ASA is seeking applications for Cohort 48 of the Minority Fellowship Program. This program supports the development and training of sociologists of color in any sub-area or specialty in the discipline. Applications are due January 31, 2021. Read more.

The Carla B. Howery Teaching Enhancement Fund provides small grants to support projects that advance the Scholarship of Teaching and Learning within the discipline of sociology. ASA may award multiple grants, each up to $2,500. Principal criteria for the award are that the project advances the teaching and learning of sociology, serves as a seed project that will continue to have an impact over time, and will be systemic in its impact. The criteria are intentionally flexible in order to accommodate innovative proposals. Applications are due February 1, 2021. Read more.
