Introduction
Annual reports are used by the Sections Committee to assess the health of a Section, measure the Section’s vitality, and identify processes, programs, or initiatives that could serve as a model for other Sections. In addition, they serve to provide institutional memory, socialize new Section leaders, and promote transparency to Section members.

This annual report covers the period of Section activity from September 2021 to August 2022 and a fiscal year from January 2022 to December 2022. This portion of the report will be shared publicly.

Section Governance
Provide details of your Section’s governance activity during the period between September 2021 and August 2022.

Business Meeting
Copy and paste below (or attach separately) the agenda and draft/approved meeting minutes from the Section business meeting which include a count of members present and summary of decisions made at this meeting. Minutes are not a transcript of proceedings, but a listing of what discussions took place and official actions taken.

**Announcements:**

1. **Size of the section**
2. Anna give the financial report;
3. **Committees:**

ChangHwan has been working on a mentor-match. We had 42 people sign up for the mentor match. We decided to set this up as a one-to-one mentor match this year rather than a mentor luncheon to enable more people to participate. But we could move back to a mentor lunch in future years.

Thanks to all the people who organized a fantastic set of sessions: Michelle Jackson, Ryan Finnigan, Matthew Clair, Xi Song, Christina Cross, and Laura Tach, who organized the roundtables.

Thanks to the newsletter committee Adam Nicholson chair), Zachary Kiline, Michaela Curran, Cassandra Engeman, Anita Li, Davon Norris

We have had few newsletters this year because it has been a struggle to get content. If you would like to contribute to the newsletter, please contact Adam Nicholson.

And we have a social media committee: Allan Hyde, Duygu Basarin- Sahin, Chinyere Agbai

Please contact them with news for Twitter.
The nominations committee for the ASA election this year included Claudia Buchmann, our past chair, Natasha Quadlin, and Elaine Hernandez.

This is all to say that the section takes a village to run and we all appreciate everything you do to keep this section so vibrant!

4. And to our most exciting item of business: Awards!

First, we have two career awards:

The Robert M. Hauser Distinguished Scholar Award is awarded annually to mark and celebrate the field’s most fundamental accomplishments.

Agenda

1. Introductions

2. Updates / issues

   Finances (Anna)

   Newsletter issues: Lack of content and committee time

   Moving to ASA Connect

   Grad student paper committee (Jessi)

   From Grad student paper committee, Chair Jessi Straub: “The committee also had suggestions for next year’s process. They’d like to see blinded submissions so that whether the article has been published, the student's institutional affiliation, gender, and to the extent it's discernable by name, race are not available to us. This could be accomplished by asking students to submit a blinded paper in Word to an IPM member who is not involved in the selection process but keeps a key so we know who wrote which paper. The committee also suggested page limits and using a rubric. I'm not in favor of these approaches unless the page limit is quite high. (The concern is that longer papers may be viewed as richer.) I also think rubrics won’t add much value. I’d also like to stop asking for nomination letters. It seems like they take up students' time when the committee will focus on the papers themselves.”

   “… prefer very brief self-nominations.”

   Rewrite bylaws to exclude that they were presented at a professional conference

   Mentoring lunch vs. mentoring 1-on-1: Both

3. Section initiatives

   Extra roundtable session vs. other uses of that time;

   Promoting scholars of color; Section demographics https://www.asanet.org/academic-professional-resources/data-about-discipline/asa-membership

4. Other section business / ideas

   ChangHwan, Claudia, Rachel Anna ideas?

Awards

Provide a list of Section awards and awardees conferred in the past year.
The **Robert M. Hauser Distinguished Scholar Award** is awarded to **David Grusky** of Stanford University for his considerable scholarly contributions to understanding class barriers and class categories, gender segregation and discrimination, and the market failure of meritocracy, and his contributions to the inequality community, the center first at Cornell and then at Stanford, the inequality readers and many other ways in which he contributes to the intellectual life for inequality scholars. Thank you David, and congratulations! (Did you want to say anything?)

The **William Julius Wilson Early Career Award** is awarded to **Christopher Muller and Ann Owens** (co-winners)

Christopher is Assistant Professor of Sociology at the University of California, Berkeley. He is a pioneer in studying historical patterns of race, class, and incarceration.

Ann is Associate Professor in the Department of Sociology at the University of Southern California. She is a leading scholar of educational inequality, segregation, city dynamics, and public policy.

The **Outstanding Book Award** is awarded to Eva Rosen for her book *The Voucher Promise*. Princeton University Press.

The **Devah Pager Outstanding Article Award** is awarded to **Matthew Clair**, for his paper on Being a Disadvantaged Criminal Defendant published in *Social Forces*.

with two honorable mentions to **Ellis Monk, Michael Esposito and Hedwig Lee**’s paper on Race, Gender, and Returns to Physical Attractiveness published in *AJS*

**2022 Finances**

Provide a narrative on how the 2022 budget matched with actual expenses and income from 2022. Please account for any substantive differences.

The total income is $4,387 and the total expense is $10,183. The spending is higher than the planned budget ($5,200). This is simply because of the high cost of reception ($9,078). We offered free foods and drinks (1 per person). Despite this discrepancy, IPM’s financial condition is in very good shape. The current balance is $11,043.65.

**The Previous Year**
